SUMMARY:

My name is Soad Abdelghafour, highly motivated animator. I have a good foundation in Adobe After Effects, proficient in character animation, 2D animation, and motion graphics , inspired by classic Disney animations and contemporary video games, always eager to learn new techniques, seeking a challenging position where I can create visually stunning animations that tell compelling stories. I'm new to this field, but I'm excited and determined to learn. I pride myself on being flexible and able to adapt quickly. I'm committed to working hard to achieve our goals and contribute positively to the team."
